# The Verb System

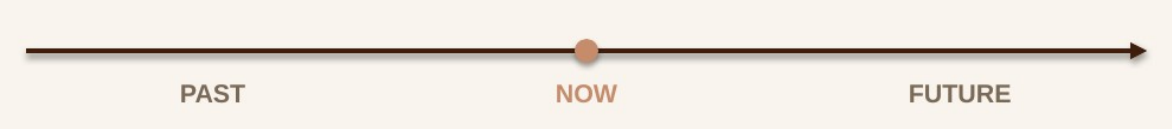

## The Big Picture · presente y pasado

*No son doce fórmulas. Son cuatro patrones que se repiten.*

**Nombre:** _____ **Fecha:** _____

**Cómo usar esta hoja.** La hacemos juntas en la clase grabada. Después, vuelve a hacerla sola, sin mirar las respuestas, y guárdala en **04 · MIS PRÁCTICAS** de tu Drive. Las respuestas están al final.

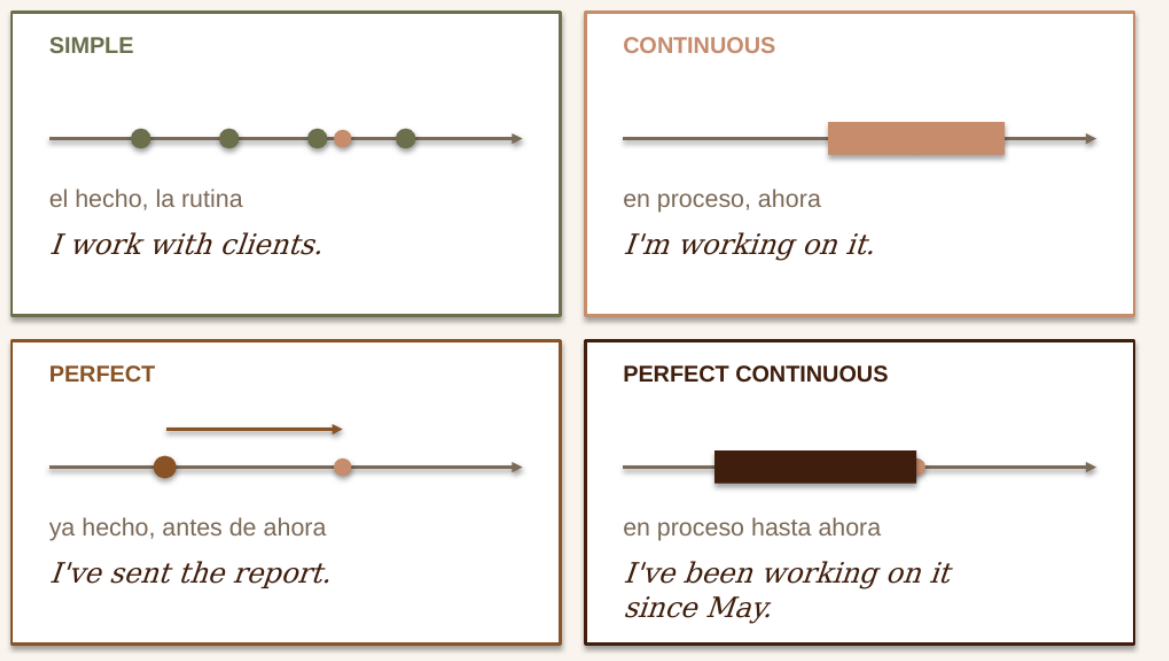

## 1 · Tres momentos en una línea

*Todo lo que dices lo ubicas primero en uno de estos tres momentos: presente, pasado o futuro.*

## 2 · Cuatro maneras de mirar

*Dentro de cada momento puedes mirar la situación de cuatro maneras. Cada una tiene su dibujo: si recuerdas el dibujo, recuerdas cuándo se usa.*

## 3 · Tu grilla, sin mirar

*3 momentos × 4 miradas = 12. Completa con el verbo work (sujeto: I). Marca con ? lo que dudes.*

| | SIMPLE | CONTINUOUS | PERFECT | PERFECT CONT. |
|---|---|---|---|---|
| PRESENT | | | | |
| PAST | | | | |
| FUTURE | | | | |

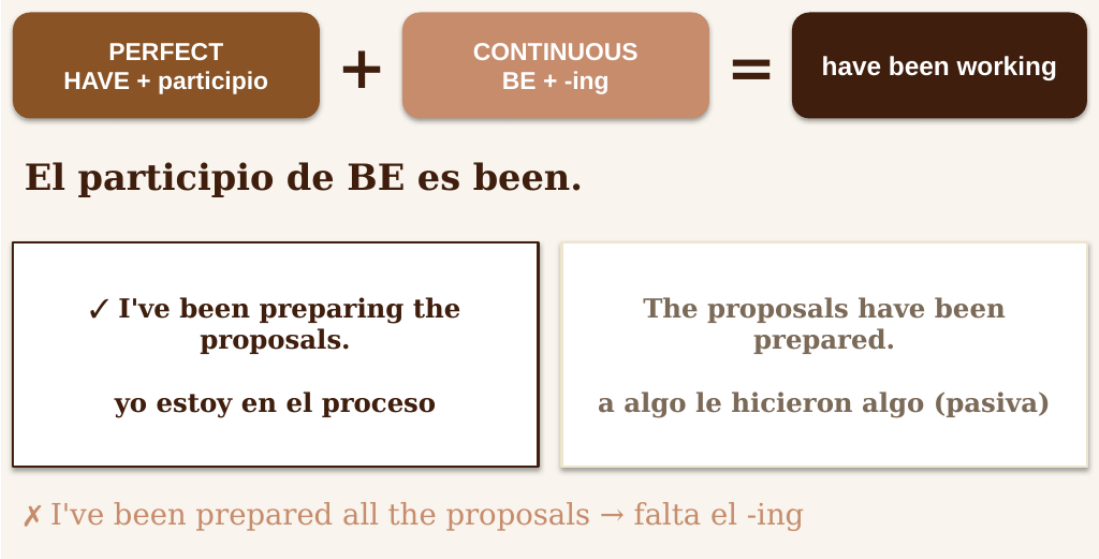

**¿Cuántas completaste?** ___ / 12 **¿Cuáles marcaste con ?** _____

## 4 · El mapa: mírala por columnas

*Cada color es un patrón. Lo que se repite en cada columna es lo único que tienes que aprender.*

| | SIMPLE | CONTINUOUS | PERFECT | PERFECT CONTINUOUS |
|---|---|---|---|---|
| PRESENT | work / works | am / is / are working | have / has worked | have / has been working |
| PAST | worked | was / were working | had worked | had been working |
| FUTURE | will work | will be working | will have worked | will have been working |

| | LAS 4 REGLAS | CÓMO SE VE |
|---|---|---|
| 1 | Continuous = BE + -ing | Solo se mueve BE: am / is / are → was / were → will be |
| 2 | Perfect = HAVE + participio | Solo se mueve HAVE: have / has → had → will have |
| 3 | Perfect continuous = HAVE + been + -ing | Perfect + continuous. Been es el participio de BE. |
| 4 | Después de will, forma base | will work · will be · will have |

## 5 · La información viaja en el auxiliar

*Si el auxiliar ya lleva el tiempo o la -s, el verbo vuelve a la forma base. Para negar: auxiliar + not.*

| | AFIRMATIVA | PREGUNTA | NEGATIVA |
|---|---|---|---|
| **Present simple** | She works in finance. | Does she work in finance? | She doesn't work in finance. |
| **Past simple** | She felt worried. | Did she feel worried? | She didn't feel worried. |
| **Present perfect** | We have finished. | Have we finished? | We haven't finished. |
| **Past continuous** | They were working. | Were they working? | They weren't working. |

*Act as my manager. Ask me about a real project I'm working on: what I usually do, what I'm doing now, what is already done, what I've been working on lately and what comes next. Ask one question at a time. After my answers, check only these errors: "I am + base verb" (I am work), "did + past verb" (didn't sent), "been" without -ing when I mean an ongoing action, and the wrong form after "will" (will sends, will has). List each error with the correct version. Then ask me the same question again so I can retry.*
